

## Pastoral Marriage Counseling

### PROACTIVE:

Our purpose is to provide the Biblical tools necessary to build a solid foundation for a successful, thriving, growing, and loving marriage. If you are struggling in marriage; if you have hit a wall; if your marriage has become stagnant and could use a “rebooting” ...we are here to help provide a bridge to help you and your spouse cross that “great divide” to the other side. We are either moving forward or backwards in marriage...anything stagnant provides a breeding ground for divisive bacteria in marriage: complacency, lack of communication, unhealthy conflict, poor marriage habits, money issues, lack of intimacy, trust issues. Even the best marriages have “issues”. That is why we need a Savior: Jesus. God does not just have an answer, He is the answer to ALL issues we face.

### PLAN:

We meet with couples 3-5 times (1 ½ to 2 hours each) to...

- 1) Assess the reasons for seeking counsel through open communication;
- 2) Get to the root of the “issues”;
- 3) Give Biblically based solutions, direction, action points; AND
- 4) Provide an action plan for couples to implement together.

\*If further counsel is needed, we provide follow-up and/or professional Christian Counselor options.

### PRICING:

- A suggested donation of \$50 per session is a starting recommendation.
- Donating is a choice. We’ve found it encourages couple’s to stay focused and intentional when value is placed on the counsel being received.
- Donations are tax deductible and can be made here: <https://give.cru.org/1123486>
- All donations go towards Marriage Maintenance to equip, strengthen, and help marriages.
